

[Hugo and Janice](#)

### UPDATE #3

We're almost there! Less than 2 weeks to go before the big day on June 18th and not only is it gonna be a fun and challenging race, but it's **Hugo and Janice's going away party!** Sadly for us, we're losing this dynamic AR couple to the west coast but you'll have one last hurrah with them as they race the Longest Day as Team Travelin' Hee-Haw Revival Gang. You can still register for [The Longest Day](#) and race against them or come cheer the teams on and bid farewell to NYARA's 2004 Favorite Adventure Racing Couple!

There are a few updates:

1. **Throw Bag** - In the interest of water safety, each team is required to have 1 throw bag that is a minimum 50' in length. If you need to buy one, you can get one from [Hudson Valley Outfitters](#) in Cold Spring.
2. The Longest Day is a [USARA](#) sanctioned race. If you're a USARA member, please bring your membership card to registration. If you are not a USARA member, you can purchase a day license for \$8 at registration.
3. **Accommodations** - If any teams are still in need of accommodations, we can help! We have rented some cabins that have showers and toilets right in Fahnestock Memorial Park. If you'd like to stay there the night before the race, it's \$18 per person. You'll need to bring a sleeping bag but you'll only be minutes away from the starting line. To reserve a space, contact Denise at [denise@nyara.org](mailto:denise@nyara.org).

That's all for now. Stay tuned for any last minute instructions. If you have any questions, please contact [jonneely@att.com](mailto:jonneely@att.com) or [denise@nyara.org](mailto:denise@nyara.org).
