**New York Adventure Racing Association
The Longest Day
12-Hour Adventure Race
Saturday May 17, 2008**

Come suffer with your favorite NYARA members during the longest day of your life on **Saturday May 17th, 2008**.

Okay, it's actually a few weeks before the longest day of the year, but it sure will feel like it for teams of 2 or 3 that paddle, bike and navigate their way through the Southern Catskills. This year's Longest Day race is a USARA National Qualifier. The top 3 co-ed teams will be eligible to compete in the USARA National Race in November. Racers will be treated to gorgeous views and challenging terrain while working their way to the finish line.

Preliminary Race Course Notes:

- Point-to-point course
- No Friday evening check-in
- Pre-plotted maps
- Be prepared for an early morning bike drop (approximately 4 am)
- Great single-track mountain biking
- Fun river paddle
- Scenic hiking terrain
- Rogaine style finish
